6. A permit is required for loads that exceed the maximum vehicle dimensions in accordance with Minnesota State Statutes 169.80 and 169.81. The maximum legal height is 13-feet 6-inches. The maximum legal width is 8-feet 6-inches. The maximum legal legal varies depending on vehicle as shown in the referenced statutes.
7. Loads over 16 feet wide require traffic control to be provided by a Sheriff's Patrol at a fee established by the Sheriff.
8. Permits are not authorized if load can be divided.
9. Permits are not authorized for movement on Saturdays, Sundays, holidays, or after dark.
10. Permits are not authorized for movement of loads or equipment where towing vehicles are inadequate or unsafe.
11. Permits are not authorized for movement on bridges which exceed the posted limits.
12. Permits are not authorized for movement over roads which in the opinion of the County Engineer would be damaged.
13. Permits are not valid for vehicles or operators that do not conform to requirements established by any law, ordinance, or regulation. The County is not responsible for verifying the vehicle or combination vehicle registration and licensed, weight, insurance coverage, operating condition, the vehicle operator's drivers license, or any other vehicle related criteria required by any law, ordinance, or regulation.
14. The County is not responsible for verifying the vehicle or combination vehicle axle and gross weights or the overall length, width, and height of the vehicle or combination vehicle and object or material hauled complies with this permit.
15. The applicant is responsible for the adequacy and/or condition of the vehicle or combination vehicle and any equipment required to load, secure, haul, or tow any object or material included in this permit. The applicant is responsible for any and all operations required to perform the transportation included in this permit.
16. The applicant is responsible for contacting and complying with any utility owners that may have facilities (overhead telephone and/or power lines) that would be impacted by the transportation included in this permit.
17. The applicant will defend and hold harmless Roseau County and its agents or employees in any traffic violation, civil, or criminal action resulting from the transportation authorized by this permit.
18. The applicant will assume all liability to the traveling public and for damages done to bridges, roads, or other structures. Roseau County will not be liable for any damages to mover or owner for failure of bridges or other structures to support truck and materials hauled over same. Moving contractor may have to furnish bond to cover any damages done to bridges, roads, or any other structure on roads.
